Highlander '68 Dedicated to Thord Nilson

Thord Curt Nilson
1923-1967

Mr. Nilson came to Highland High in 1956 where he taught World History for eleven years. His specialty was modern history, especially that of Russia and the Far East. After serving with the Navy during World War II, he received his BA from Gustavus Adolphus College and his MA from the University of Nebraska. He was a member of Phi Delta Kappa, honorary fraternity for men in education, and was a founder and Past-President of the Albuquerque Teachers Federation.

Mr. Nilson was a man who demanded much of his students, but gave them much to think about in return. Interested in the well-rounded life of young people, Mr. Nilson was swimming coach last year and led Highland's team to the state championship.

A Thord Nilson Memorial Scholarship Fund has been established in his honor.

Language Dept. Acquires New Lab Facilities

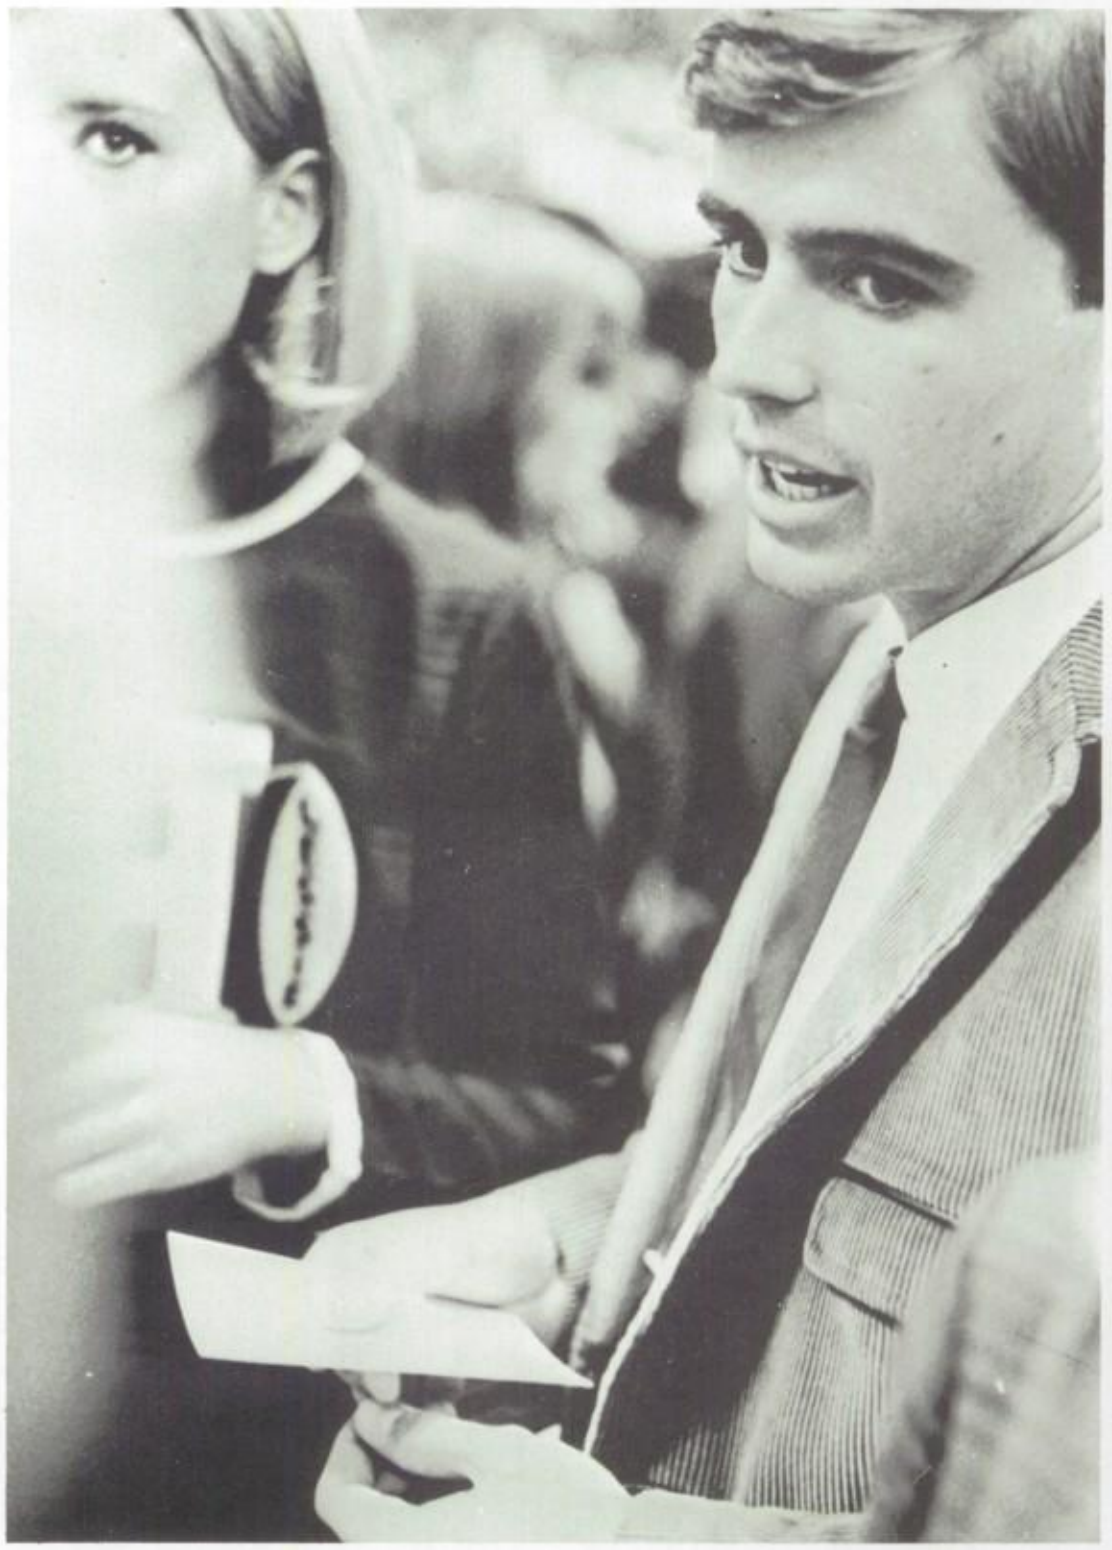
Coach Bill Gentry explains the fundamentals of flag football to his physical education class.

Continued improvement was the principal theme of curriculum. Teachers faced challenging, new courses along with the new faces that accompanied the beginning of school. Changes occurred in various departments and courses, giving students a wider choice of subject matter.

The Language Department, under the leadership of Ramon Huerta, boasted two new language labs this year. Mrs. Lula Triandafilidas works the console controls as her class listens to the French tapes.

Highland Registers 2747 in September

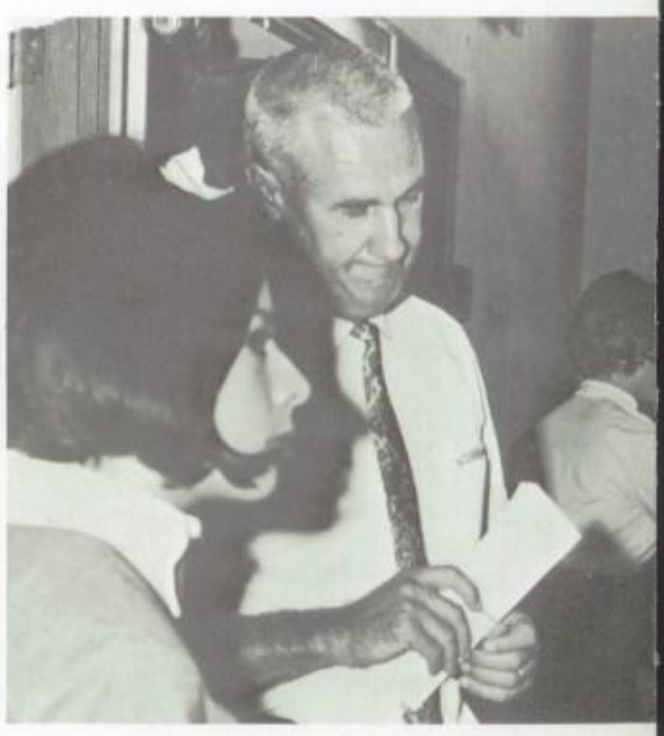
People at work, whether faculty members or students, were the basis for Highland's continued progress. Long before registration on September 5, office and custodial personnel were engaged in preparations for the new school term. During the year student volunteers helped with daily jobs to aid the personnel. Students continued to face the task of studying while teachers continued to lecture, grade tests, and help prepare their students.



Brad Stamm, Student Council President, discusses an assembly problem during an early year get-to-gether.

Popularity of the "Motor" is attested to by this photo, taken in the student parking lot. Getting ready to leave is an HHS cycler.

Mickey Miller, Attendance Director, counsels two sophomore girls during registration.

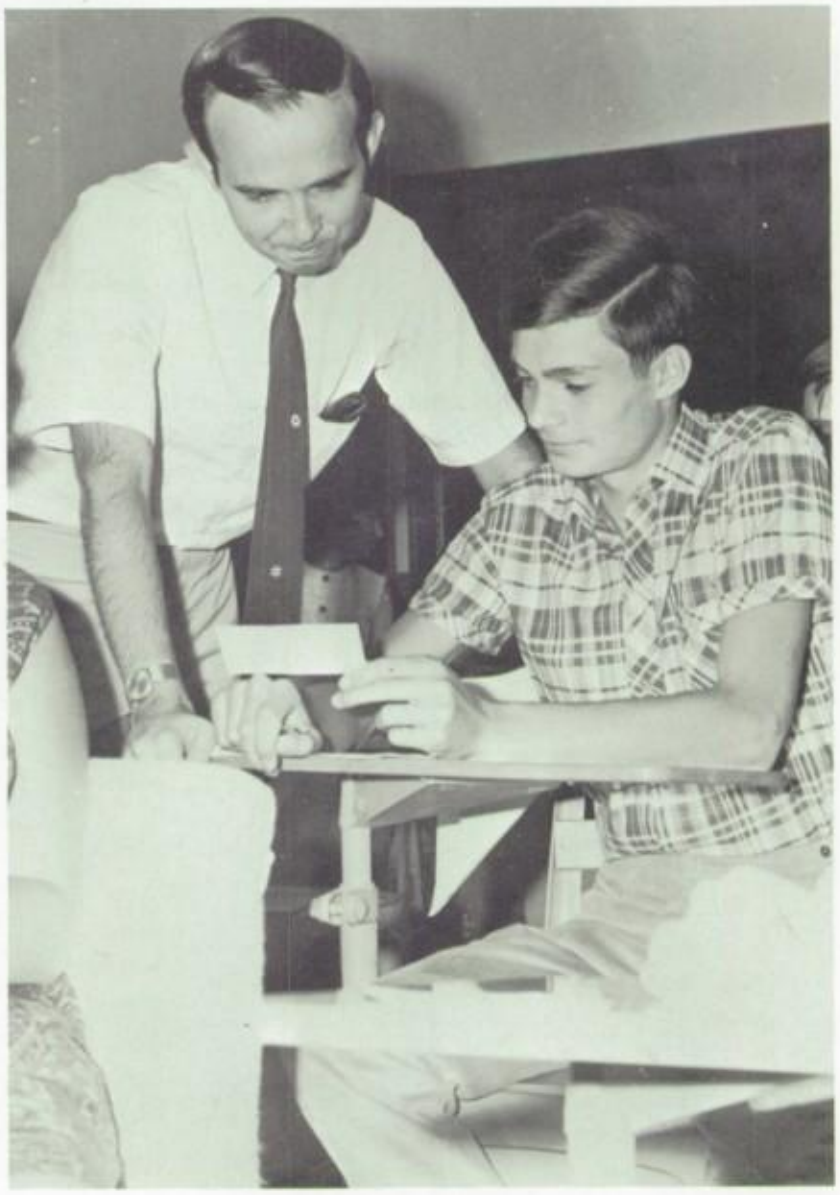


Many Services Required to Maintain HHS Operation

Head Custodian Dan Lucero keeps the Hornet Plaque shiny and presentable.

The cafeteria serves thousands of meals yearly. Students receive good, well-balanced meals for 40c

Foreign Exchange Student Piero Ravetto, from Italy, is assisted in his registration by Mr. Bill Robertson, English Dept. Chairman.



Student Activities Provide Fun Opportunities

In addition to all the classes and study, students found in organizations, sports, and special events the necessary completion of Hornet life. Educational and pep assemblies were happy changes in the regular school schedule. Work, along with enjoyment of activities, combined to make dances, plays, and class meetings the events where responsibilities and friendships developed.

The five HHS Cheerleaders are always some of the most popular and pretty girls on campus. Clockwise from top: Lessie Robb, Gretchen Otto, Sandy Schotter, Lynda Whitney, Betsy Hayes.

A near capacity crowd turned out to see the Hornets defeat El Paso Burges 26-0.

Curriculum

Curriculum is at the heart of any school's program for its students. A progressing, ever-changing curriculum combined with well-trained dedicated teachers is the goal of Highland High School.

This year was the first year of a two year evaluation of HHS by the North Central Association of Secondary Schools and Colleges. This evaluation involves all phases of the school and looks especially close at the curriculum and faculty. During 1968-69, inspection teams from throughout the state will visit our school to aid in the investigation.

Highland's 112 teachers boast a high percentage of Master's degrees and many have completed "Master's plus 30 hours".

A. D. KRUMM

A. D. Krumm Leads HHS Into Its 19th Year

As Highland entered its 19th year, A. D. Krumm began his 12th year as its principal.

Mr. Krumm was named to the Board of Directors of the North Central Association of Secondary Schools and Colleges and was active in other professional activities.

LaRoma Thompson Is Highland's Veep

Assisting Mr. Krumm in the administration of Highland High was Mrs. LaRoma Thompson, assistant principal.

Working directly with the counselors and other administration posts, Mrs. Thompson directed registration, schedule changes, registrars office and a multitude of other duties.

DR. ROBERT CHISHOLM, Supt. of Schools

Dr. Robert Chisholm this year began his third year as the chief administrator for the Albuquerque Public Schools.

Instituting televised city-wide faculty meetings was one of his most recent innovations. These discussions covered such topics as Curriculum and Finance.

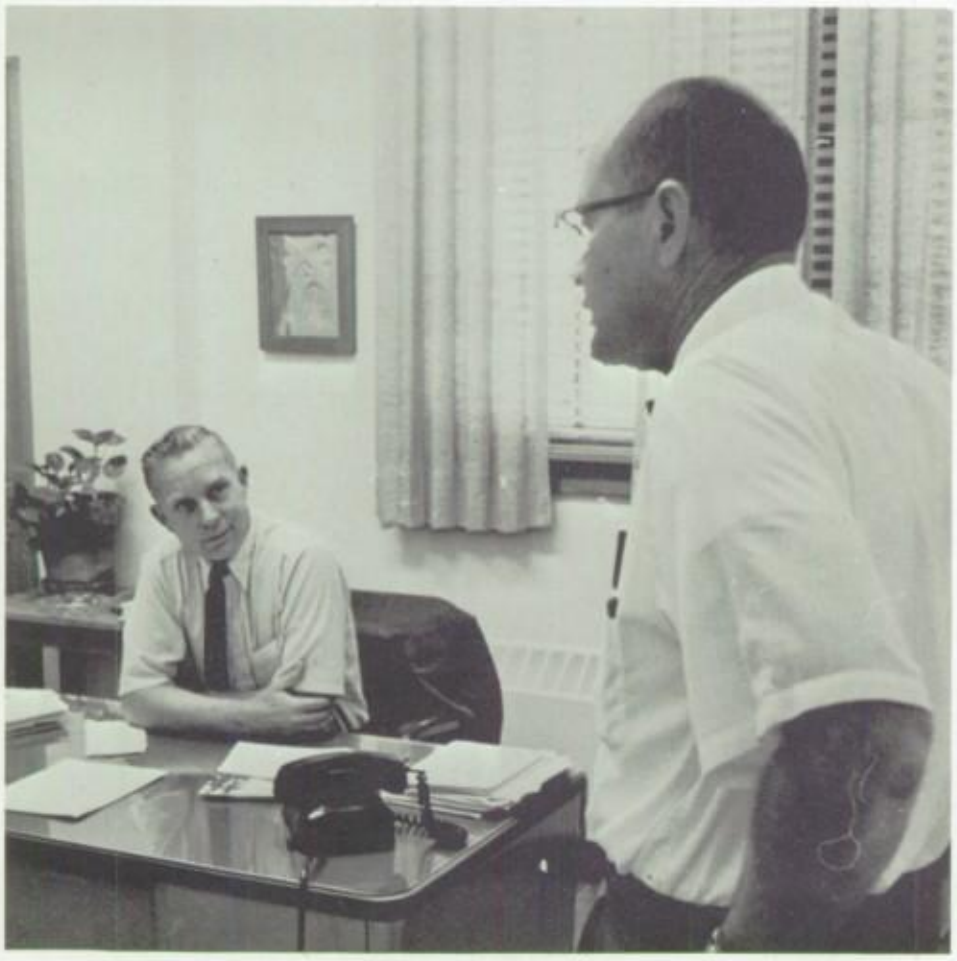
Budgetary problems continued to plague Dr. Chisholm as they did other administrators across the country.

Members of the Board of Education are: Mrs. Jeanette Stromberg, Floyd Darrow, S. Y. Jackson, J. Leon Thompson, and Robert M. Elder.

Counselors Serve 550 Students Each

The counselors see many students daily and seek the solution to problems. Mr. Jack Steck talks with Nancy Clark.

Patricia Weaver and Penny Raife were among the many people who serve HHS in its offices.



Mr. Jim Walker, Director of Guidance talks with Counselor Jack Steck about how best to help HHS students.

Dulcie Hayes, a student in Mrs. Carpenter's Art class is assisted by her teacher.

This year many art classes will enjoy the facilities of the new art buildings. Although they were completed last year, it was too near the end of the school year to make the change.

In Art, students learn of Cubism, color, texture, and the basics of drawing. They are given the opportunity of attending an Art Exhibit at the University, which helps them to see these "basics." After they've been used in the work. The students are given the chance of using these basics, since all the projects they work on are "self-invented".

There are some differences, of course, in the program for boys and girls, but both receive a well rounded program of activities designed to keep them fit and to provide them with worthy leisure time activities.

Instruction in the dangers of alcohol, drugs and tobacco is provided in the department and a comprehensive sex education program is being planned by the school system.

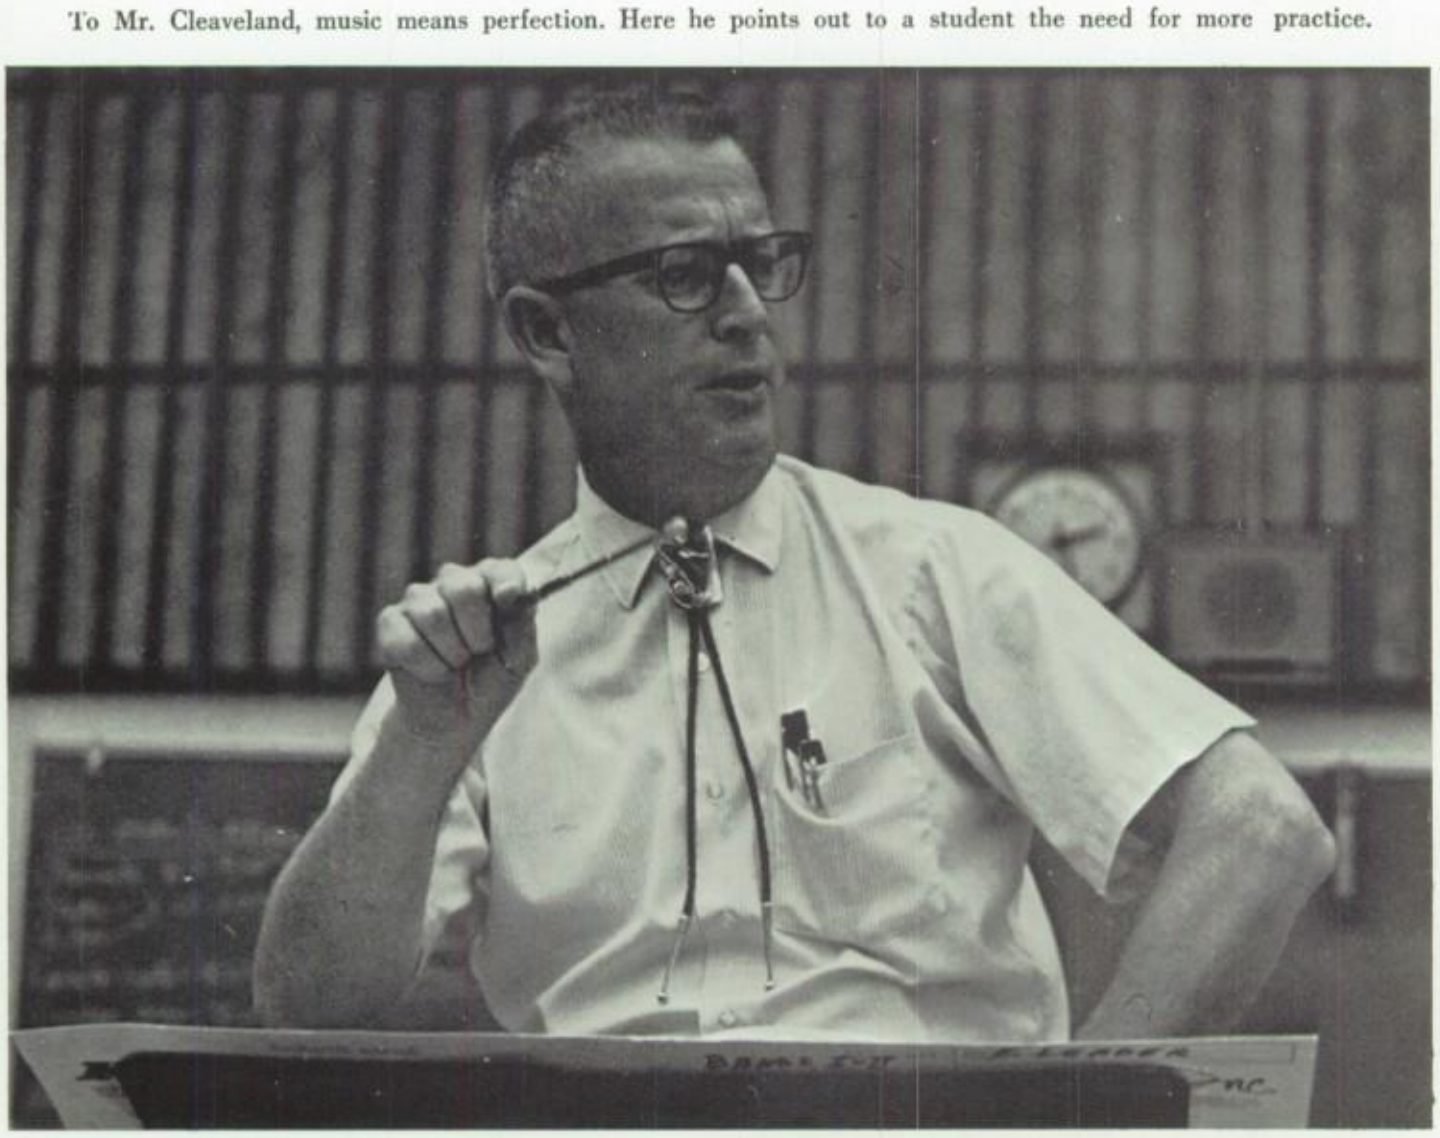
General Music was offered for the first time this year. It was taught by Mr. Arthur Loy. Eligible students were those who had had no music training previously. No performance or concert was involved in course study. It was hoped that an appreciation and interest in music would be the end result.

Mr. Cleaveland and Mr. Loy, along with Mrs. Bellinger, worked with small ensembles outside class time. These groups and the band, orchestra, and chorus performed in seasonal concerts. Advanced groups also performed at other schools and special events.

To Willie Morgan, one missed beat would mean a drastic mistake. Here he is shown playing the kettle drums.

To Mr. Cleaveland, music means perfection. Here he points out to a student the need for more practice.



Cooks Prepare Nutritional Meals for Students

Thousands of great hot lunches are prepared and served yearly by Mae Casey and her staff of cooks. In addition to the hot lunches an a la carte section is also provided the students. Traditional Christmas and Thanksgiving dinners were served prior to those special days.

Taking time out from a busy schedule, Mae Casey, Aroma Montano, and Ann Vanderveen, pose for a photographer.

Corrine Padilla, Dorothy Miller, and Maxine Sanders, three of the six cooks, spend many hours preparing the meals served in the cafeteria.

Dan Lucero Heads Custodial Staff

There are few moments when the custodians can take a break. Taking advantage of one of these moments are: Rey Sandoval, Dan Lucero, and Waldo Sanchez.

Two crews of custodians headed by Dan Lucero are responsible for the daily maintenance of the Highland buildings.

The night crews, seldom seen by students, work until 11:00 p.m. each school day. Miles of halls and over 100 rooms are cleaned daily.

Alfone Calderone and Eusilbio Garcia step out on the West porch to bask in the morning sun.

Rey Sandoval sweeps halls after the pitter patter of little feet have left it.

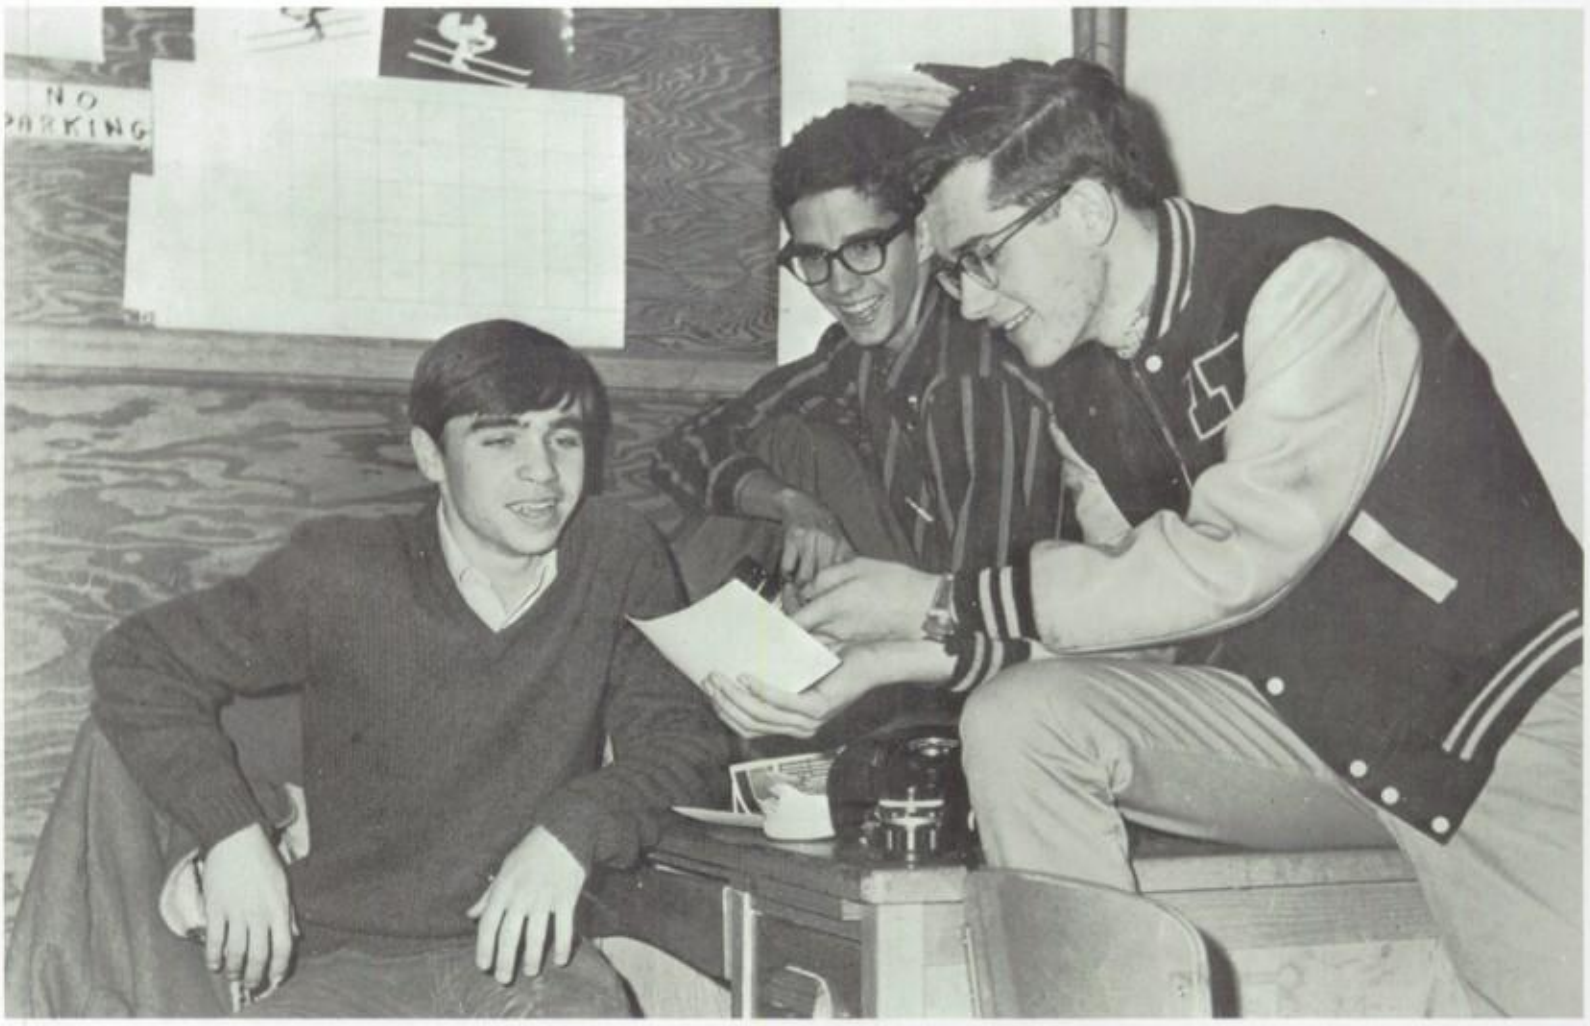
Organizations

Through participation in clubs and organized activities students become integrated into the whole school program. This kind of participation is especially important in a school the size of Highland.

As you will note when looking at the following pages there is a wide variety available to the students.

Clubs provide an opportunity for students with similar interests to exchange ideas and learn responsibility through the organizational system. New interests and new friends are developed with the wide range of extra-curricular activities open to all students.

1967-1968 Yearbook Meets Year-end



Highlander staff photographers, Chuck Hunner, Mark Bralley, and Karl Easley, discuss developing techniques in the anteroom of the darkroom.

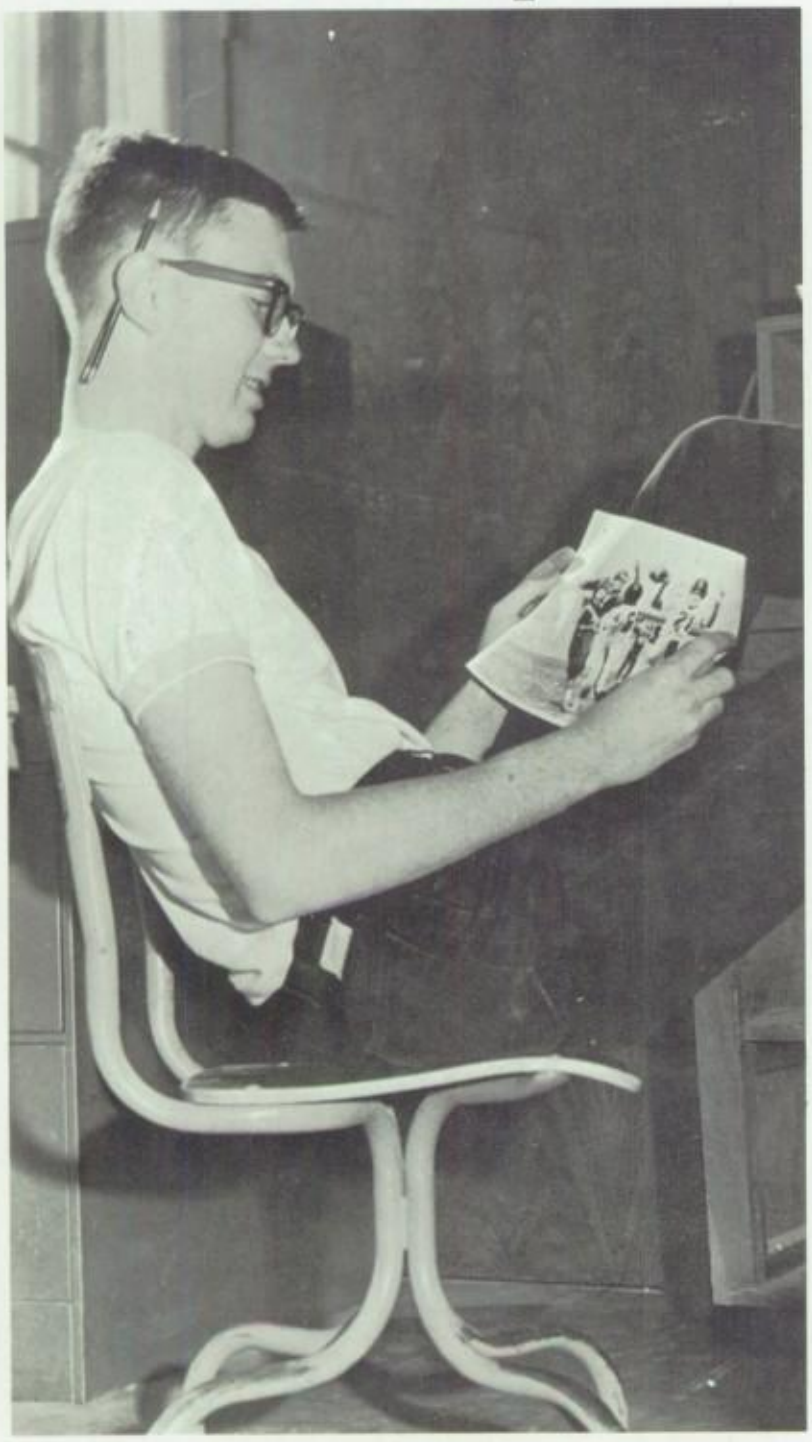
Plans for the 1968 *Highlander* were originated during the New Mexico Interscholastic Press Association workshop in August of 1967. Five of the twelve member staff, including two photographers, attended the week-long workshop at the University of New Mexico. Five states were represented in the more than 100 students in attendance.

The *Highlander* staff compiled a pictorial history of the 1967-1968 school year at Highland High School under the direction of Mr. Bill Manire. The finished books were distributed the last of May.

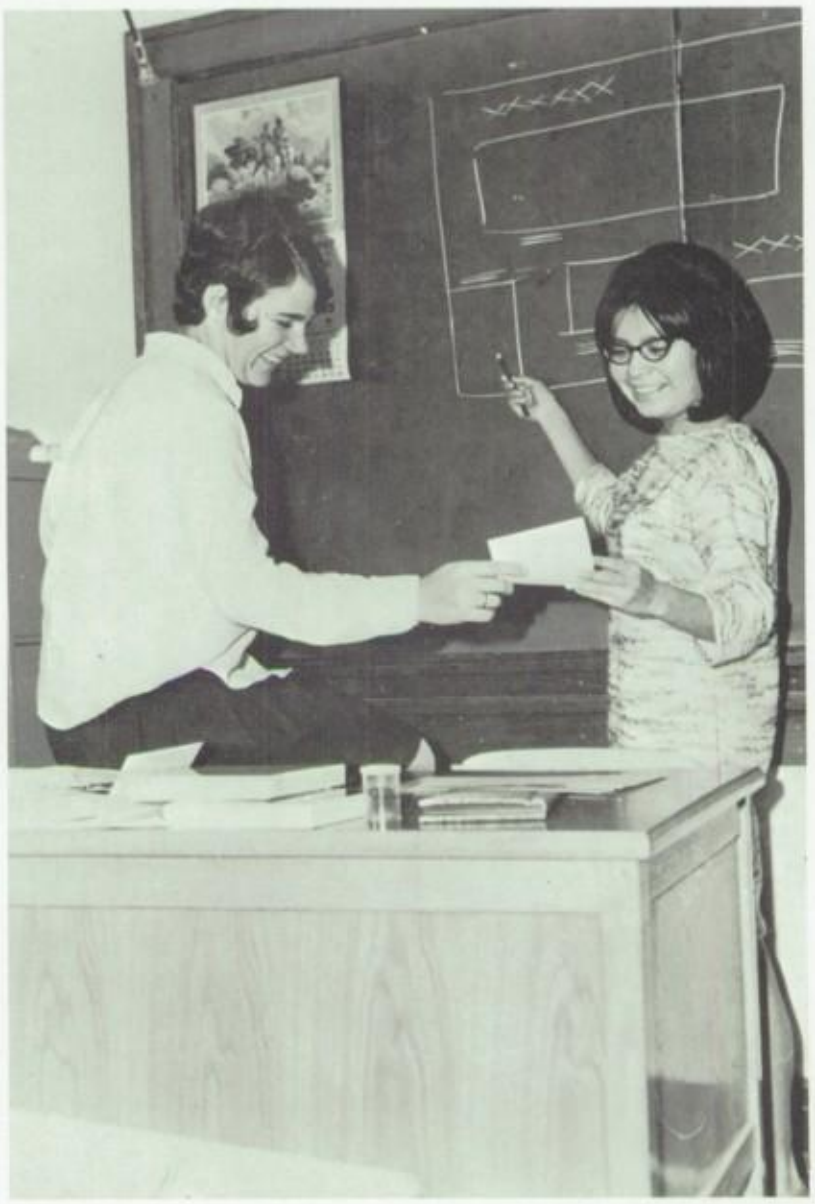
Co-editors Tom Pawley and Diane Nalley check negatives in the dark room with Mr. Manire, sponsor.

Mary Sroka offers suggestions to Robyn Sadler as Robyn types the copy for the "Curriculum" section of the *Highlander*.

Deadline in Spite of "Strike."



Tom Pawley decides on a picture for the "Sports" section.



Susan Terry and Elsie Begay, "Organizations", draw preliminary layouts in Mr. Manire's room.

Kathy Herndon, Julia White, and Mel Merritt finish up the "Classes" section of the *Highlander*.

Highlight Staff Produces Ten Issues

The first issue of the *Highlight* was distributed on the first day of school with nine monthly issues following. This means work began even before school started and was continued until the last issue came out in May. Prices were ten cents or an activity ticket.

Members of the *Highlight* staff attended the New Mexico Interscholastic Press Association workshop in August to learn the basics of producing a newspaper. Staff parties were held during the year and members attended the annual staff picnic in the spring.

Highlanders Form Drill Team

Long before the school term began, Highlanders started to develop a more intensive spirit boosting organization. Working in close co-operation with the cheerleaders they formed a marching drill team. Girls in the group practiced during the weeks of summer vacation to perfect their routines. During football season the girls marched at half-time and performed pom pom routines in the stands throughout the games. At basketball games the girls used blue and gold flags for their routines and developed a card section. To increase spirit and noise during basketball games, they used wooden blocks for hand clapping. Besides spirit and enthusiasm, a selected number of girls provided half-time entertainment with pom pom dance numbers.

Members had a bake sale and gave gifts of candy and fruit to kids in the Detention Home as their Christmas project. Highlanders helped the Cheerleaders during the State Cheerleaders Convention at Highland. They decorated the school and served as hostesses for the event.

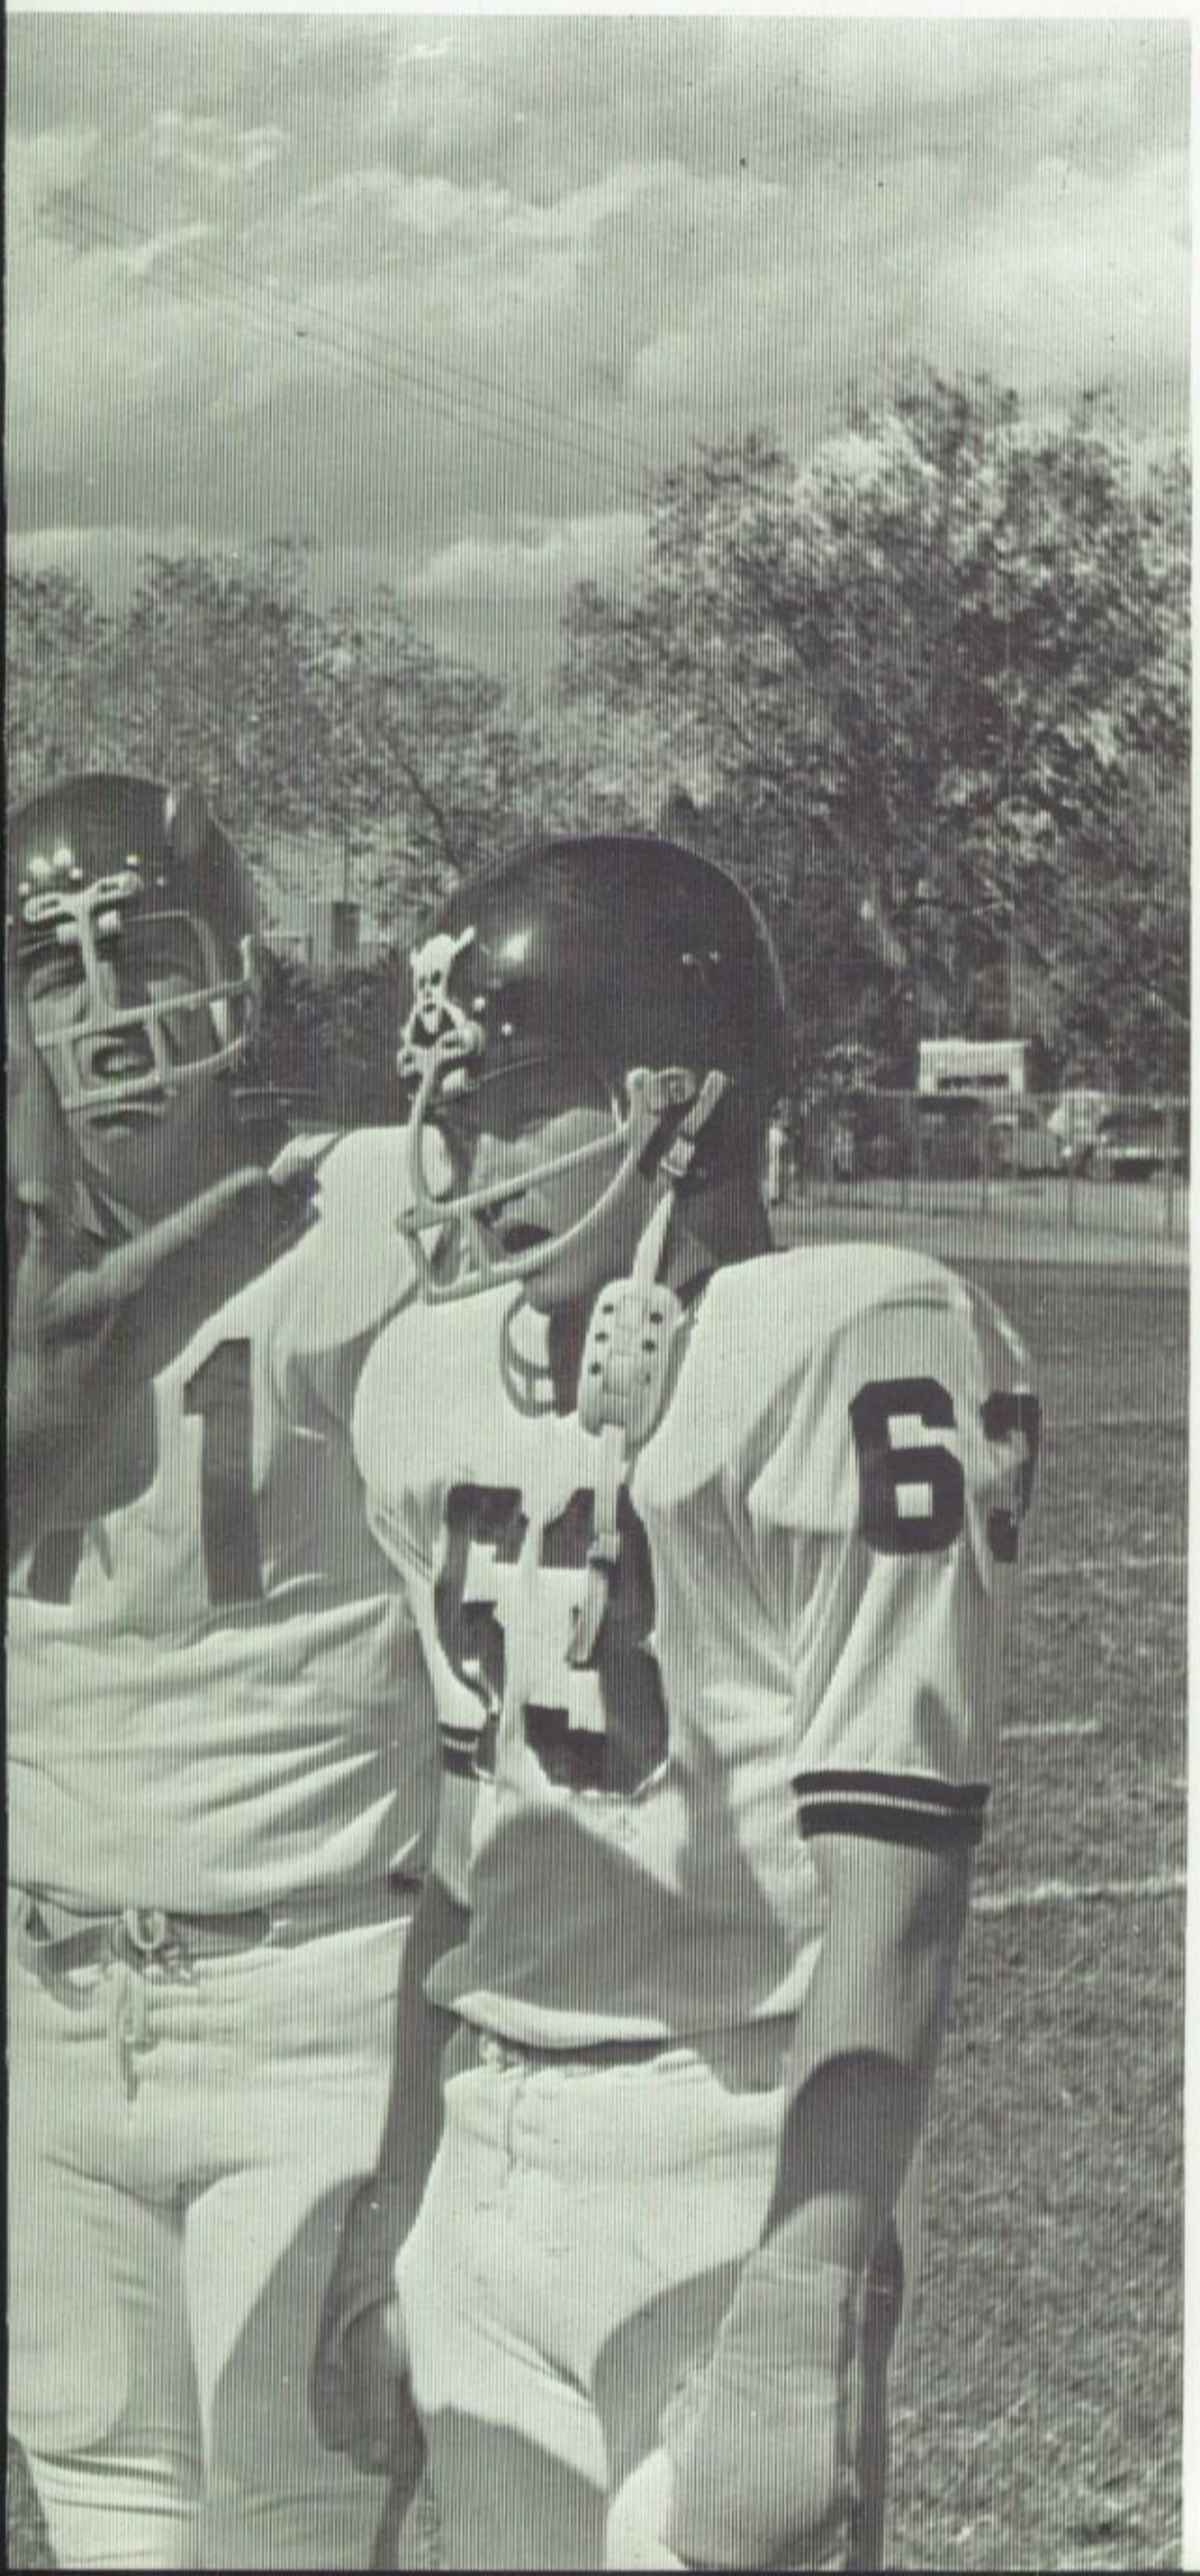
Sports



At any high school, sports is the window through which other schools, parents, and the average citizen view the school. A fine athletic program reflects good coaching, and excellent attitude, but especially talent and athletic ability.

Highland is no exception to this rule. Our athletic program continues to be one of the best in the state. Sports represent us well at Highland High School.

HIGHLAND 40, AUSTIN 0

On the first play from scrimmage, Dave Jones ripped off a 75 yard run past the startled Panther defense for the first of three touchdowns. His other scores were on runs of 55 and 9 yards. Ernie Jones and Pat McPherson scored on runs, and Ernie hit Mike Temple for another TD.

HIGHLAND 26, BURGES 0

Although favored to win, Burges High of El Paso found that playing a good game and winning are two separate things. The Mustangs piled up 270 yards passing and 44 rushing, but could not put a point on the scoreboard. Highland had 266 yards rushing and 80 yards passing, but more important, had 26 points. Dean Wade scored once and Dave Jones three times, including a 90 yard interception return to give the Hornets their victory.

HIGHLAND 33, DEL NORTE 0

The Hornets scored 26 last half points to defeat Del Norte in a night contest at Wilson Stadium. Ernie Jones scored on runs of 15 and 8 yards and tossed a 7 yard TD to Dean Wade. Dave Jones and Pat McPherson also tallied for the Hornets. Although close at the half, by the end of the game HHS dominated the statistics. Highland had 20 first downs as compared to 3 for the Knights, and outrushed them 277 yards to 40.

HIGHLAND 20, CARLSBAD 13

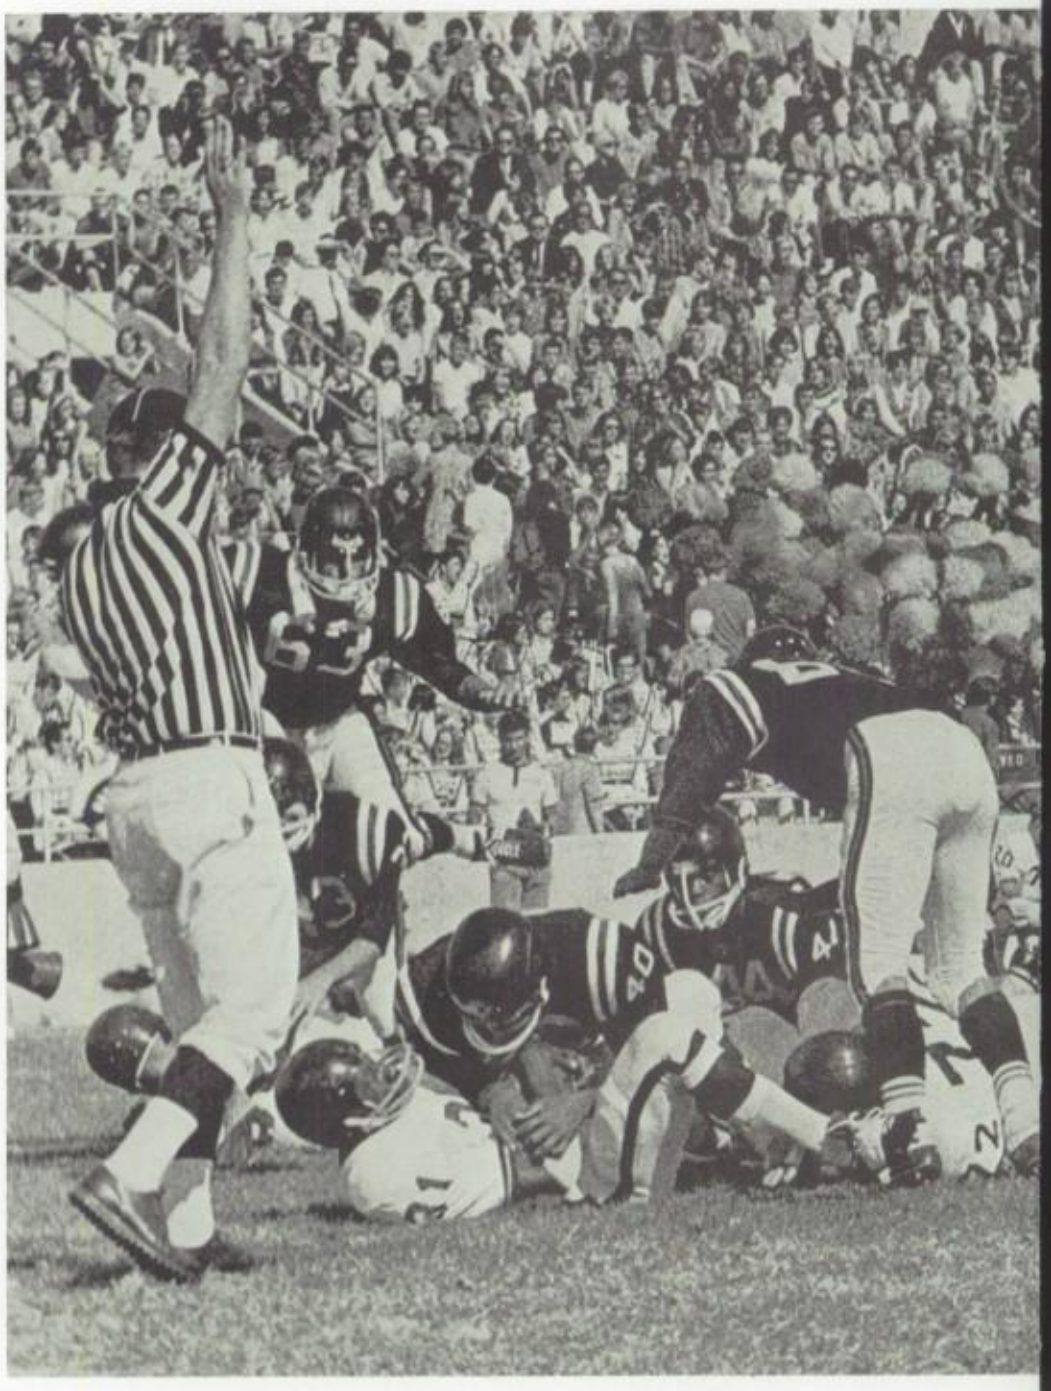
Highland travelled to Carlsbad on Sept. 29 to engage in battle with the Cavemen. At the half, the Hornets held a slim 7 to 6 lead. In the second half, Highland got some momentum going with Dave Jones scoring his second and third TD's of the night. Carlsbad rallied to score and had another drive stopped by the Hornet defense on the HHS 40 with less than a minute left in the game.

HIGHLAND 53, RIO GRANDE 0

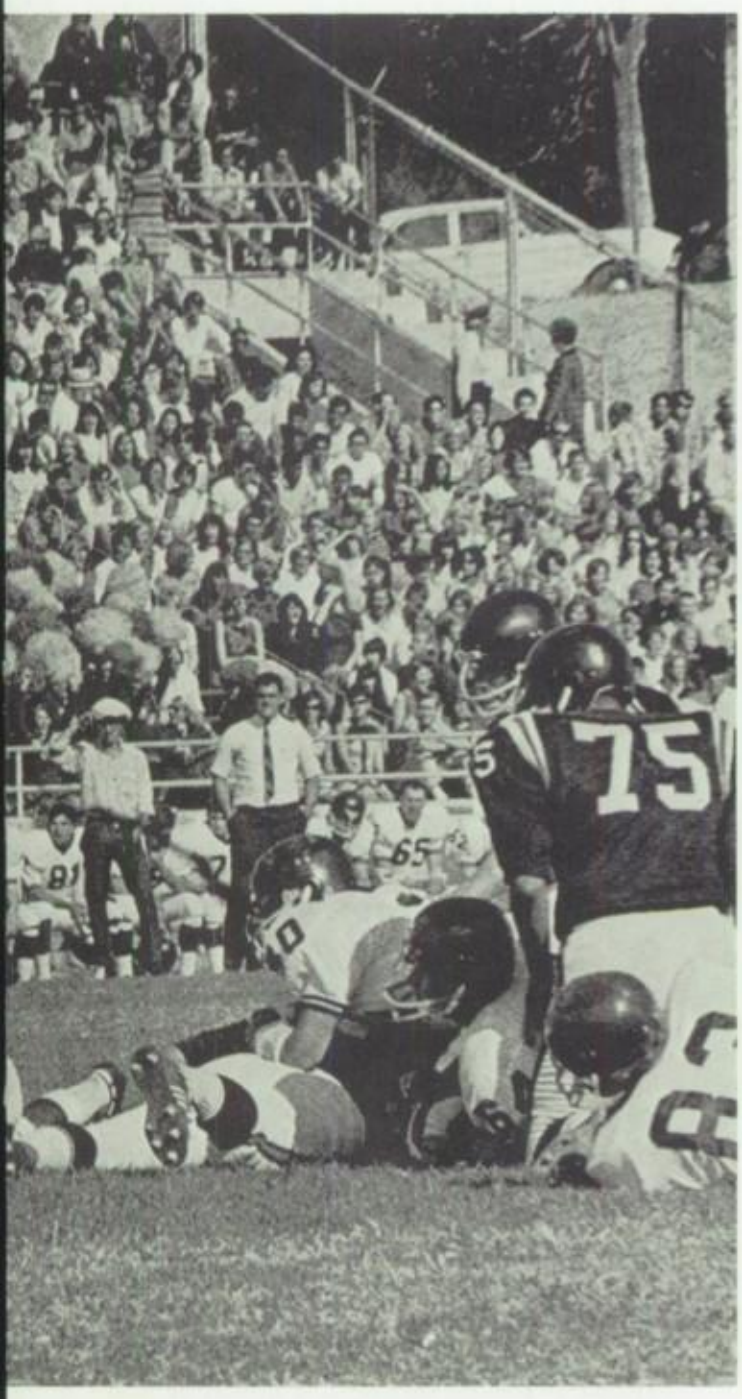
HHS scored all its points in the first three quarters and coasted to an easy victory over the Ravens. Dave Jones scored on the first play from scrimmage on a 66 yard run and later on a 6 yard run. Ernie Jones, Porfie Lucero, Pat McPherson, and Dennis Woods scored TDs and Fred Trussell scored twice. Highland racked up 392 yards rushing and held Rio Grande to minus 27 yards.

HIGHLAND 56, FARMINGTON 0

Fred Trussell scored three touchdowns on a 17 yard run, a 23 yard pass from Ernie Jones, and a 19 yard interception return. Dave Jones scored on a pass from Ernie and a 93 yard run. Dean Wade, Pat McPherson, and Curtis Johnson also scored for Highland.



Highland quarterback Ernie Jones is surrounded by Burges Mustangs at Wilson Stadium on Sept. 16.



Dave Jones, number 31, leaves a trail of Ravens and Hornets behind him during the Rio Grande game.

Burges' fine passer Bill Craigo did not escape the wrath of the Hornets' line as Jeff Roberts slams into him as he lets go of a pass.

Headhunters Hold Foes to 23 Points

The Headhunters of Highland High's varsity football team were: Joe Dixon, Mike Temple, Robert Sloan, Jay Wilson, Jeff Roberts, Rob Winter, Dean Wade, Ernie Jones, Mark Wilson, Dave Jones, Curtis Johnson, Fred Trussell.

The Headhunters are the standouts of the Highland defensive team. Once a player becomes a Headhunter, he must continue to excel on defense or he may lose the "skull and crossbones" on his helmet which is the insignia of the Headhunters. This year, the Hornet defense held its opponents to just 23 points for an average of only 2.5 points per game, which led the city. This was topped only by the 1964 Hornet football team which allowed just 22 points in eleven games.

The Hornets' offense, meanwhile, was scoring points at an average of about 39 points per contest. Led by the backfield trio of Dave Jones, Ernie Jones, and Fred Trussell, Highland ripped the opposing teams' defenses. The Hornets' offensive line deserves much of the credit for the fine offensive attack, as it opened up huge holes in the opponents' lines, or dropped back to provide good protection for the Highland passing attack.

Sandia, which was the only team to defeat Highland, was dumped by Albuquerque High in the District 1AA championship game by a score of 28 to 9. The Artesia Bulldogs, District 2AA champs, then defended their state championship with a 40 to 14 win over Albuquerque High. It was Artesia's third state championship in four years.

SANDIA 10, HIGHLAND 7

Highland lost its only game of the 1967 season to the Sandia Matadors on October 27, before a crowd of 7200 at Wilson Stadium. Sandia took the lead in the first quarter on a field goal by David Wheeler. Highland put together a long drive capped by a 7 yard pass from Ernie Jones to Mike Temple in the second quarter. After a scoreless third period, Sandia scored on a pass from Mike Kenyon to Jerry Spurlock with less than 8½ minutes left to play. The Hornets drove downfield to the Sandia 7, but two plays later lost the ball on a pass interception. Sandia ran out the remaining time, snapping Highland's regular season winning streak at 48 games.

Highland Hornet football coaches for 1967 were: Dutch Gares, assistant and B-team coach; Bill Hayes, line coach; Bill Gentry, head coach; Bobby Gibbs, backfield coach; David Church, assistant and B-team coach.

HIGHLAND 47,
WEST MESA 0

West Mesa felt Highland's wrath as they fell to the Hornets on November 3rd. Dave Jones scored 4 touchdowns, all in the first half, on runs of 1, 2, 1, and 49 yards. In the second half, Ernie Jones took over where Dave left off, scoring on a 6 yard run, and throwing touchdown passes of 5 and 42 yards to Dean Wade and Curtis Johnson.

HIGHLAND 67,
SANTA FE 0

Dave Jones ripped the Santa Fe defense for 4 touchdowns to lead HHS over the Demons. The great Hornet defense stopped the Demons' offense cold, as Highland marched up and down the field all night. Dean Wade and Vic Montoya scored 2 TDs each, while Pat McPherson added another as HHS finished the season with an 8 and 1 record.

Farmington's cheerleaders scream, but it won't bring down Dave Jones, as he takes off on a 93 yard run against the Scorpions on Hornet Day.

Sandia was undefeated, but the Bees played a fantastic first half and held on to defeat the Novielleros 33-25. Leading the Bees in scoring this year was Robert Proctor with 14 touchdowns. Robert Valdiviez and Mike Day scored 3 TDs, and Mo Ortega and Dennis Woods scored 1 each.

Hogg Begins Fourth Year as Head Coach

Coach Tom Hogg's Hornets were brilliant at times, yet lack of experience lost many games this year. With only one returning letterman, Ernie Jones, off of the District 1AA champions of 1967, the remaining players had only B-team experience or less. Labled a rebuilding year, the Hornets refused to think of themselves as not being contenders for the district title. Their determination was shown when they won their opening game from Amarillo-Tascosa in a come from behind, overtime contest. Two of their best games were those against Espanola and Rio Grande, both road games. Both times mistakes were overcome by hustle and determination to win. They played two fine games against Sandia, the district champion, losing only by eight and four points. In the district tournament at Civic Auditorium, the Hornets fell to Farmington, whom they had beaten earlier in the season. The loss ended any hopes of a possible spot in the state tournament in March.

After a slow start, the Highland Bees, coached by Bobby Gibbs, rallied to win the city championship. The Bees lost 5 out of their first eight games, but took 11 out of the last 12, including three games in the city tournament. High scorer for the Bees was Tom Pawley. John Fifield had the best scoring average. Leading rebounders were John Fifield, Tom Pawley, and Dan Wegman. One point of interest was the high number of sophomores on the B-team this year. There were 5 sophs, of which 3 were starters.

The Highland Wasps, the sophomore team, posted another fine record this year under Coach Larry Hughes. After losing their first two starts, the Wasps rolled over 10 of their last 13 opponents for a 10-5 season record. Their best performance was in a 92-38 win over the Taos Sophs. Despite several changes in personnel, the sophs did quite well, as many players showed good potential for future Hornet basketball teams. High scorer for the Wasps was John Fifield, despite playing only half the season on the sophomore team. Chip Babb and Don Herbert showed considerable accuracy in shooting this year, also.

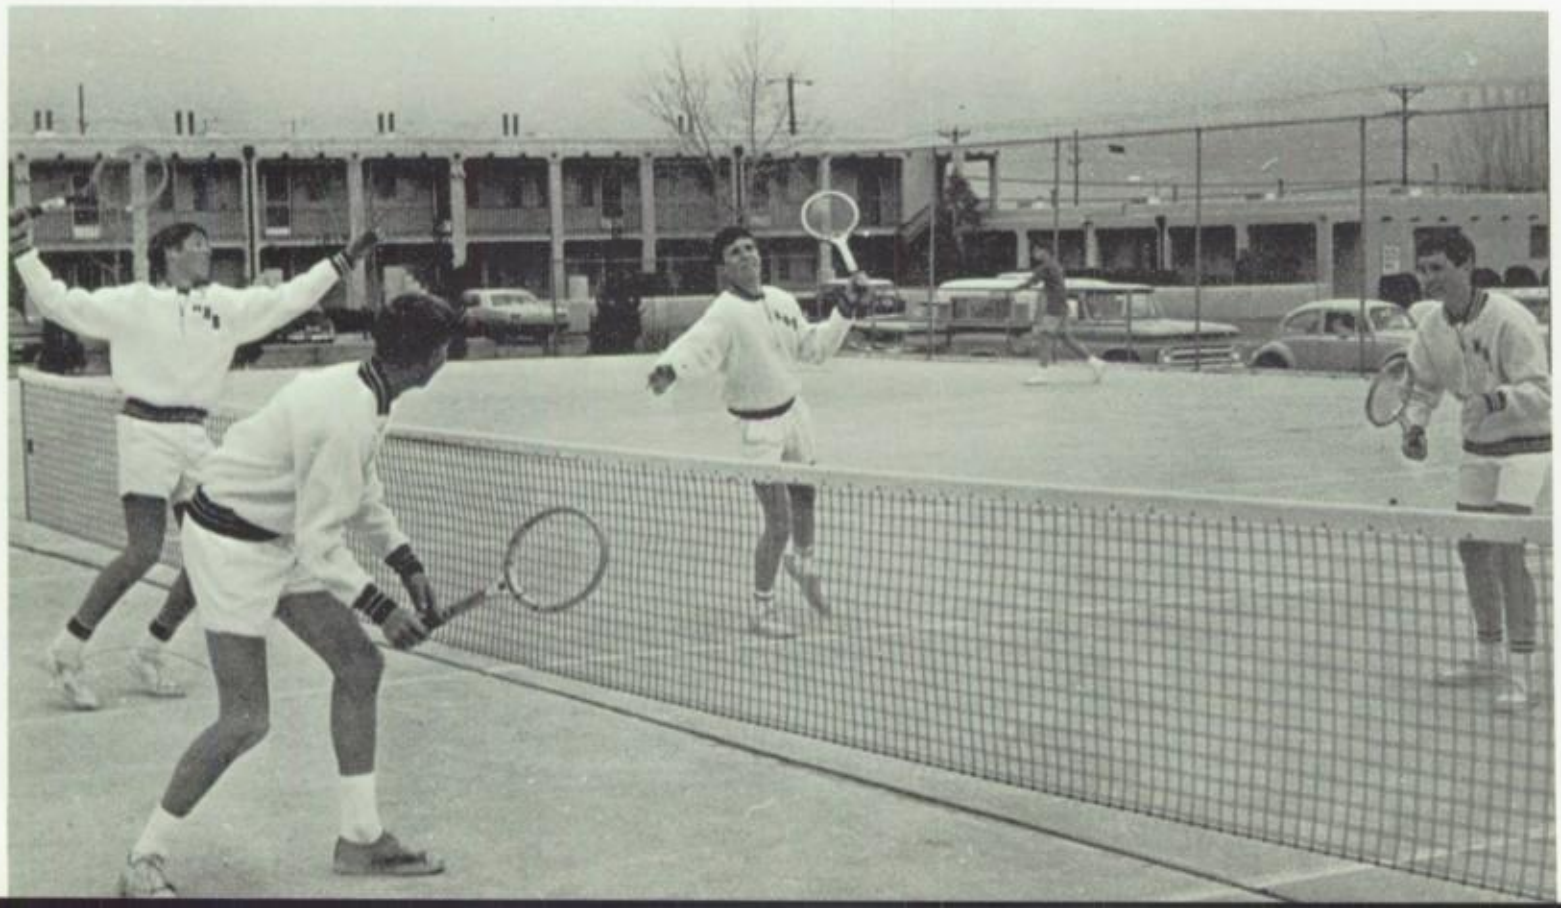
Having an undefeated tennis team is almost a tradition at Highland High School. This year, the Hornets sought their ninth consecutive unbeaten season. Led by returning lettermen Dave Post, Joe Long, Tim Russell, and Robert Rehm, as well as players up from last year's undefeated B-team, the Hornets were in good shape to take their 14th state championship in 17 years.

Playing in a fierce doubles match are Tim Russell, Dan Eglinton, Robert Rehm, and Tom Turbett.



Highland Harriers Take State

Members of the Highland varsity Cross-country team were: *Front row:* Blaine Clarke, Steve Lynch, Stan Hill, Alan Coad, Robert Tohe. *Back Row:* Coach Sanchez, Steve Overbury, Paul Chauvet, Ken Wilson, Roger Ruvolo, Mgr.

Led by defending state champion Stan Hill, the Highland Cross-country team took the state championship with 54 points. District champ Albuquerque High was second with 60 points and Del Norte was third with 62 points. Hill defeated Tom Toft of Sandia by one second with a time of 8:56. Tony Lucero of Del Norte was third. Besides Hill, Steve Lynch took ninth place, Paul Chauvet was eleventh and Alan Coad took seventeenth place, as the Hornets paced together in the championship run.

The Hornet Cross-country team record was an impressive four wins, one second place, two third places, and one fifth place. In the State AAU run, Stan Hill took first place against a field of 75 runners from New Mexico. As a team, Highland placed fifth. In the City Meet, Highland was third behind Del Norte and Sandia. The Hornets moved up a spot to second in the Destrict 1AA Meet while Del Norte fell to third behind Albuquerque High and Highland. One of the surprising aspects of the team was its large number of underclassmen. Only Hill and Alan Coad graduate, leaving Highland with good prospects for next year.

Sportsman of the Year — Dean Wade

A team leader, Dean Wade has excelled in sports as well as in the classroom. In football, Dean was the starting quarterback for the Bees in his sophomore year. He was a starter for the varsity at the end of his junior year and his senior year. In track, Dean was a two year letterman with a specialty of the Javeline. Wade was a member of the National Honor Society and was a National Merit Semifinalist. He plans to attend the U.S. Military Academy at West Point, New York, next fall.

Jones and Hill Sportsmen Runners-Up

DAVE JONES

A triple letterman, Dave Jones was one of the greatest football players ever to wear a Hornet uniform. In his sophomore year, Dave played varsity football and sophomore basketball. During his junior year, he displayed his greatness as he broke the city scoring record. He had another great season in both football and track in his senior year. Dave plans to attend the University of Oregon next year.

STAN HILL

Stan Hill was one of the finest runners in the history of Highland's great track teams. As a junior, Stan was the state champion in cross country. In track, he won the mile run in state competition, leading HHS to a third place. Again, as a senior, Hill took first place in cross country as Highland won the state championship. At the Albuquerque JC Track Meet this year, Stan came from behind in a spectacular finish to take first place in the high school division of the mile run. Stan plans to attend Southern Methodist University in Dallas next fall.

Activities

Special events that occur outside the classroom complete the life of an active Hornet. Through activities students may try out their creative talents and learn what it means to work with other individuals. Long remembered moments such as Homecoming, pep assemblies, plays, and musical activities help fill the cultural needs of the ever progressive student body of Highland High School.

Previous Queens Attend Hornet Day

Having been invited to a reception following the assembly, court and honored guests meet in the library for refreshments.

Posing with Queen June Barnett are two of Highland's previous queens.

For the 1967-68 Hornet Day Festivities, fifteen candidates for Homecoming queen were selected from forty-five senior candidates at the first assembly. These girls must have had a "C" average and praticipated in at least two extracurricular activities.

In the second assembly, held on Oct. 20, the fifteen girls who were elected to court were presented again to the student body. It was now the student body's responsibility to select their queen and princesses; each student had three votes with which to make his choice. The girls were allowed to hang one poster with or without a picture and one banner to be displayed in the gym.

At the traditional Homecoming Coronation Assembly, Queen June Barnett was escorted to her regal throne in mythical Camelot by Brad Stamm. Princess Paula Dorris was escorted by Lynn Munyon, while Princess Roxanne Hill was escorted by Steve Andrews, to their honored thrones in the enchanted city.

The chamber orchestra, conducted by Mr. Cleaveland played the theme from "Camelot" and various other songs suited to the theme while the coronation was in process.

As is tradition, last year's Hornet Queen, Barbara Houk, was present at the coronation. She wished Queen June, Princesses Paula and Rozanne, the court, some of Merlin's magic and happiness.

After the assembly, the Queen, June, the princesses Paula and Roxanne, the court, and escorts were invited to the library for a reception held in their honor. Some of the guests included a previous queen and Piero Ravetto, Highland's foreign exchange student. To add to the festivities of Hornet Day the school band marched through the halls playing the school song. Students followed after as if caught in a trance to the patio for a boost in school spirit. Later in the afternoon Hornets met to conjure enthusiam.

The senior class of '68 united to build a castle for their royalty. Much time was spent introducing the proper formula for the spell to be cast. The shields of noble knights were displayed where the lovely ladies were to be seated.

The junior task was to prepare the room for the dance and a small feast, while the sophomores had the intricate job of twisting and twirling the crepe paper decorations for the halls. After a day of "royal festivities," the students flocked to Wilson stadium to see the Homecoming football game between Farmington and Highland. Highland took the victory by 56 to 0. During half time, floats were exhibited that were competing for a $40 prize. The Junior float won.

On November 8, 9, 10, and 11, the Senior Class of H.H.S. presented their yearly play in the theater under the direction of Miss Anne Shannon. The play, relating the events which occured upon the arrival of Lt. William Seawright (Tom Snodgrass) who thought he had been writing to Ruth Wilkins (Donna VanBuskirk), was written by Norman Krasna. It reality Lt. Seawright's pen pal was Mariam Wilkins (Jo Anne Kelly), Ruth's little sister.

Other characters in the play were Dora (Pat Thomas), Mrs. Edith Wilkins (Mimi Chase), Judge Harry Wilkins (Brian Flora), Albert Kummer (Orlando Sandoval), Martha Seawright (Lorie Simons), Sgt. Poppalooper makes a direct strike lassoing Chick Achiski, Filthy McNasty, and Aunt Finittny.

Cooper and Looper . . ."

Who was squashed by a moving van? The answer to this question was of prime concern in the production of "The Cataclysmic Loves of Cooper and Looper and Their Friend Who Was Squashed by a Moving Van." Written by Dr. Tom Erhard who aided in the production of the play, and produced by Thespian Troupe 1174, "The ... Van" had its world premiere on February 22, 1968, and two other performances on the 23 and 24.

Miss Ann Shannon directed the three act comedy with the aid of Rusty Rutherford, student director. The cast included David Leach, Melinda Snodgrass, Mark Stevens, and Jo Anne Altrichter playing these parts respectively: Billy Cooper, Betty Looper, Claude Cooper, and Baby Lee Looper. Other cast members were Robin Tawney, who played Chick Achiski; Melanie Hashimoto, Shirley Jamborini; Dave Flagstead, Filthy McNasty; Dawn Wagner, Cherry Winters; Dan McDaniel, Hank Looper; Debbie Ulrich, Sarah Crusty; Scott Dodson, Loop; Peggy Diefendorf, Mrs. Looper; Tony Francis, Poppalooper; Melody Chandler, Aunt Finittny.

Having broken away from Poppalooper, Chick Achisti vows his silence forevermore!

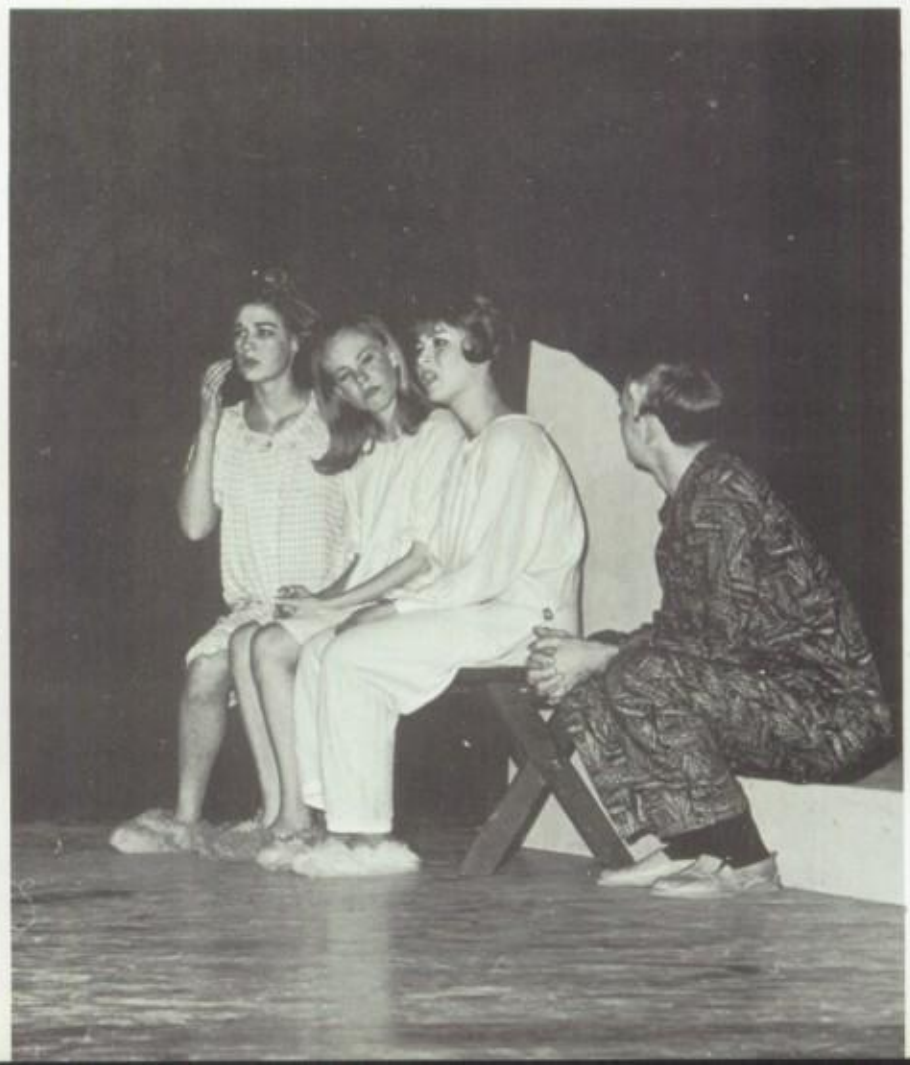
Trying to make Claude Cooper jealous Shirley Jamborini (Melanie Hashimoto) kisses Chick Achisti (Robin Tawney).

Pajama Party Featured in Play

Getting in the swing of things, Poppalopper (Tony Francis) and Aunt Finittny (Melody Chandler) try dancing.

Having been made up to fool Claude Cooper, Baby Lee Looper is completely disquised.

At an all night party, guests found it more comfortable in pajamas.



Teacher Strike Closes Schools Feb. 22

Students reported to school on Feb. 22, the first day of the strike and assembled in the gymnasium for instructions.

Mr. Krumm, Principal, addresses the 2700 students without benefit of PA system.

As a result of what they termed indifference on the part of the legislature and the governor in provided adequately for the public schools, the Albuquerque Public School teachers voted on February 21 to "withhold services."

After an agreement was reached with the governor for the appointment of a task force to formulate a plan for public school finance and distribution of monies, the teachers returned to the classroom on Thursday, February 29. During the unplanned vacation, students spent much time on the ski slopes, reading and studying. The missed days were made up before the end of the regular school year.

In the absence of teachers, students fill the halls as the 8:00 bell sounded. They were dismissed at 8:30, following the meeting in the gym.

Unidentified persons leave the building after the closing of school due to the strike. All activities, including plays and athletic events were suspended for the duration of the teacher walkout.

QUACK! Second

Cheerleaders for the senior duck were, *J to second O:* David Post, Dumas Marmon, Cam Carreras, Terry Fellicetti, Charlie Pineda.

David Salazar and an unidentified girl egg their classes' duck on.

"2-4-6-8, who do we appreciate?" Doodles! was the answering cry as the sophomore duck raced across the finish line at the second annual Duck Drag. The other ducks, Jocko and Alexandria, (senior and junior), "chickened out."

Sponsored by the senior class, the duck drag took place in February. Each class selected a duck and a trainer and an assembly was held on the morning of the drag. After the drag that evening, a dance was held in the gym.

Taking part in a teachers' demonstration during the duck drag assembly were Miss Bernice Rebord and Mr. Bud Adams.

Annual Duck Drag

Completing a cheer for the sophomore duck, Doodles, is Phil Dixon.

Dave Salazar chases the sophomore duck, Doodles, across the finish line.

Linda Adams appears on behalf of the senior duck during the assembly.

Hippie Hop — Different Dance

Stopping for a breather, students enjoy refreshments at the Homecoming Dance.

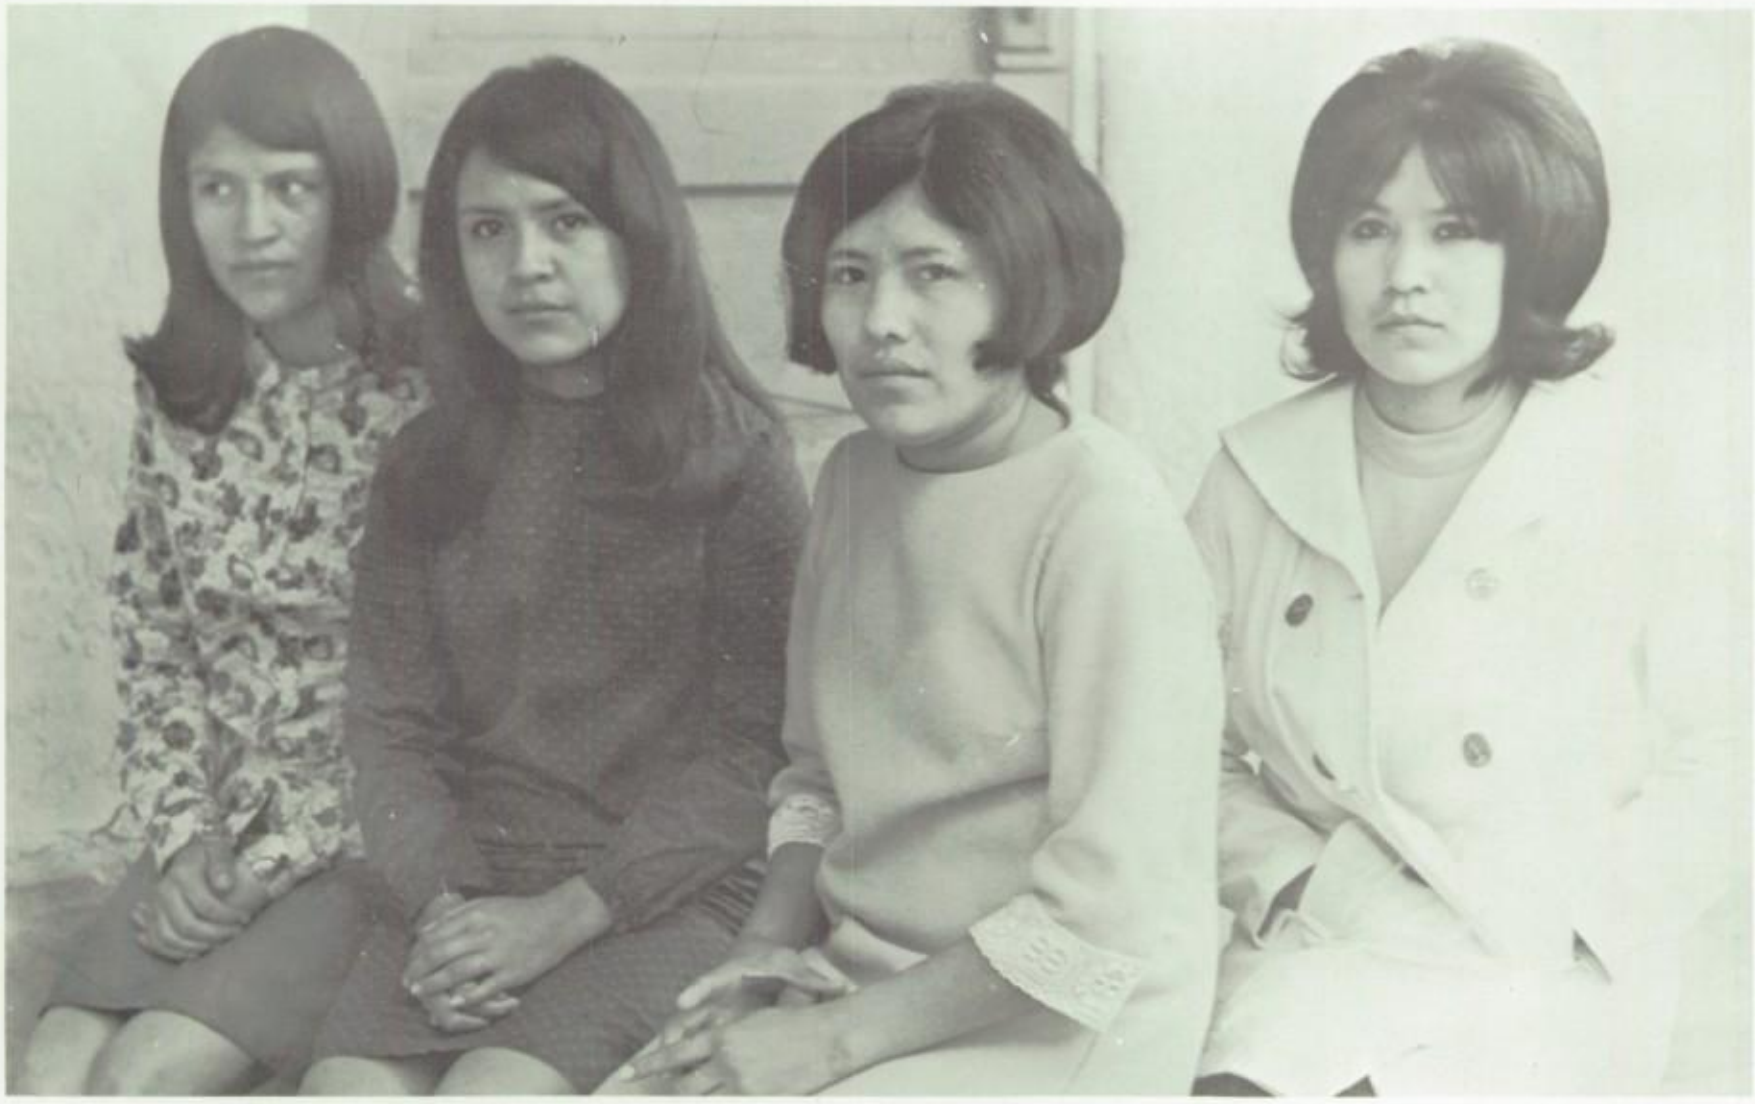
Taking money and stamping hands for the Get Acquainted Dance are *(left to right)* Marty Morrow, June Barnett, and Pierro Ravetto, Highland's foreign exchange student. This was the first dance starting off the 1967-68 year.

From the beginning of the year to the end, students of Highland High School have the privilege of attending dances, both formal and informal. The dances, with the exception of the Junior-Senior prom, are open to all students of Highland and their dates. They are sponsored by clubs or the individual classes.

Following a day full of activities students flocked to the cafeteria for the Homecoming Dance.

Something different in the line of dances was the "Hippie Hop."

BT Students Are Active in HHS Activities

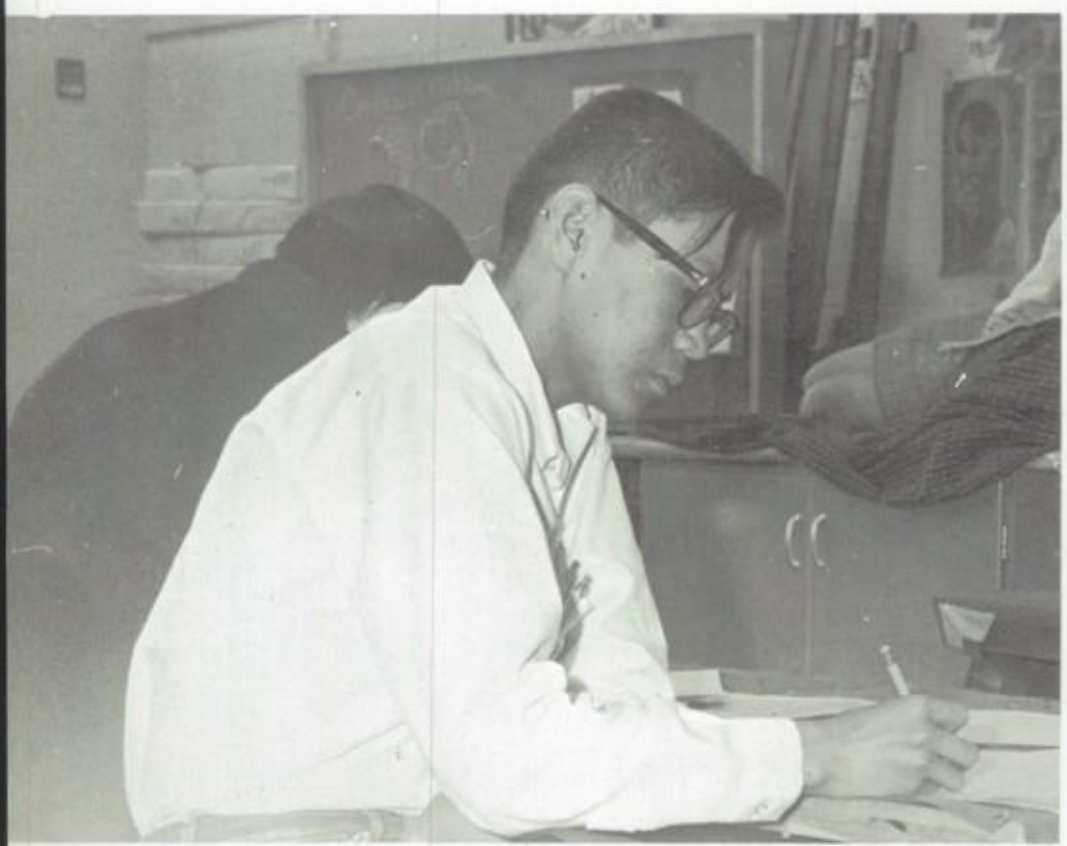


The Bordertown students live at the Albuquerque Indian School and commute to Highland. Desbah Ten, Laura Tohe, Rena M. King and Virginia Spean are pictured as they sit on the large front porch of their dormitory.

Peter Yazzie has contributed a great deal to the success of Coach Henry Sanchez' track squad this year.

Elsie Begay was club editor for the yearbook and helped in other parts of the HIGHLANDER. She attended the New Mexico Interscholastic Press Association Workshop at UNM last summer.

Highland Participates in "Bordertown"



Developing his talents in Art, John Kee draws a picture of the model posing in the background. The art students were given experience in many art forms during the year.

Marian Dixon casts a critical eye at a painting that she has just recently completed.

Alyce Shirley, while a student at Highland, also served as a cheerleader at the BT dorm at the Indian School.

Project for Indian Students

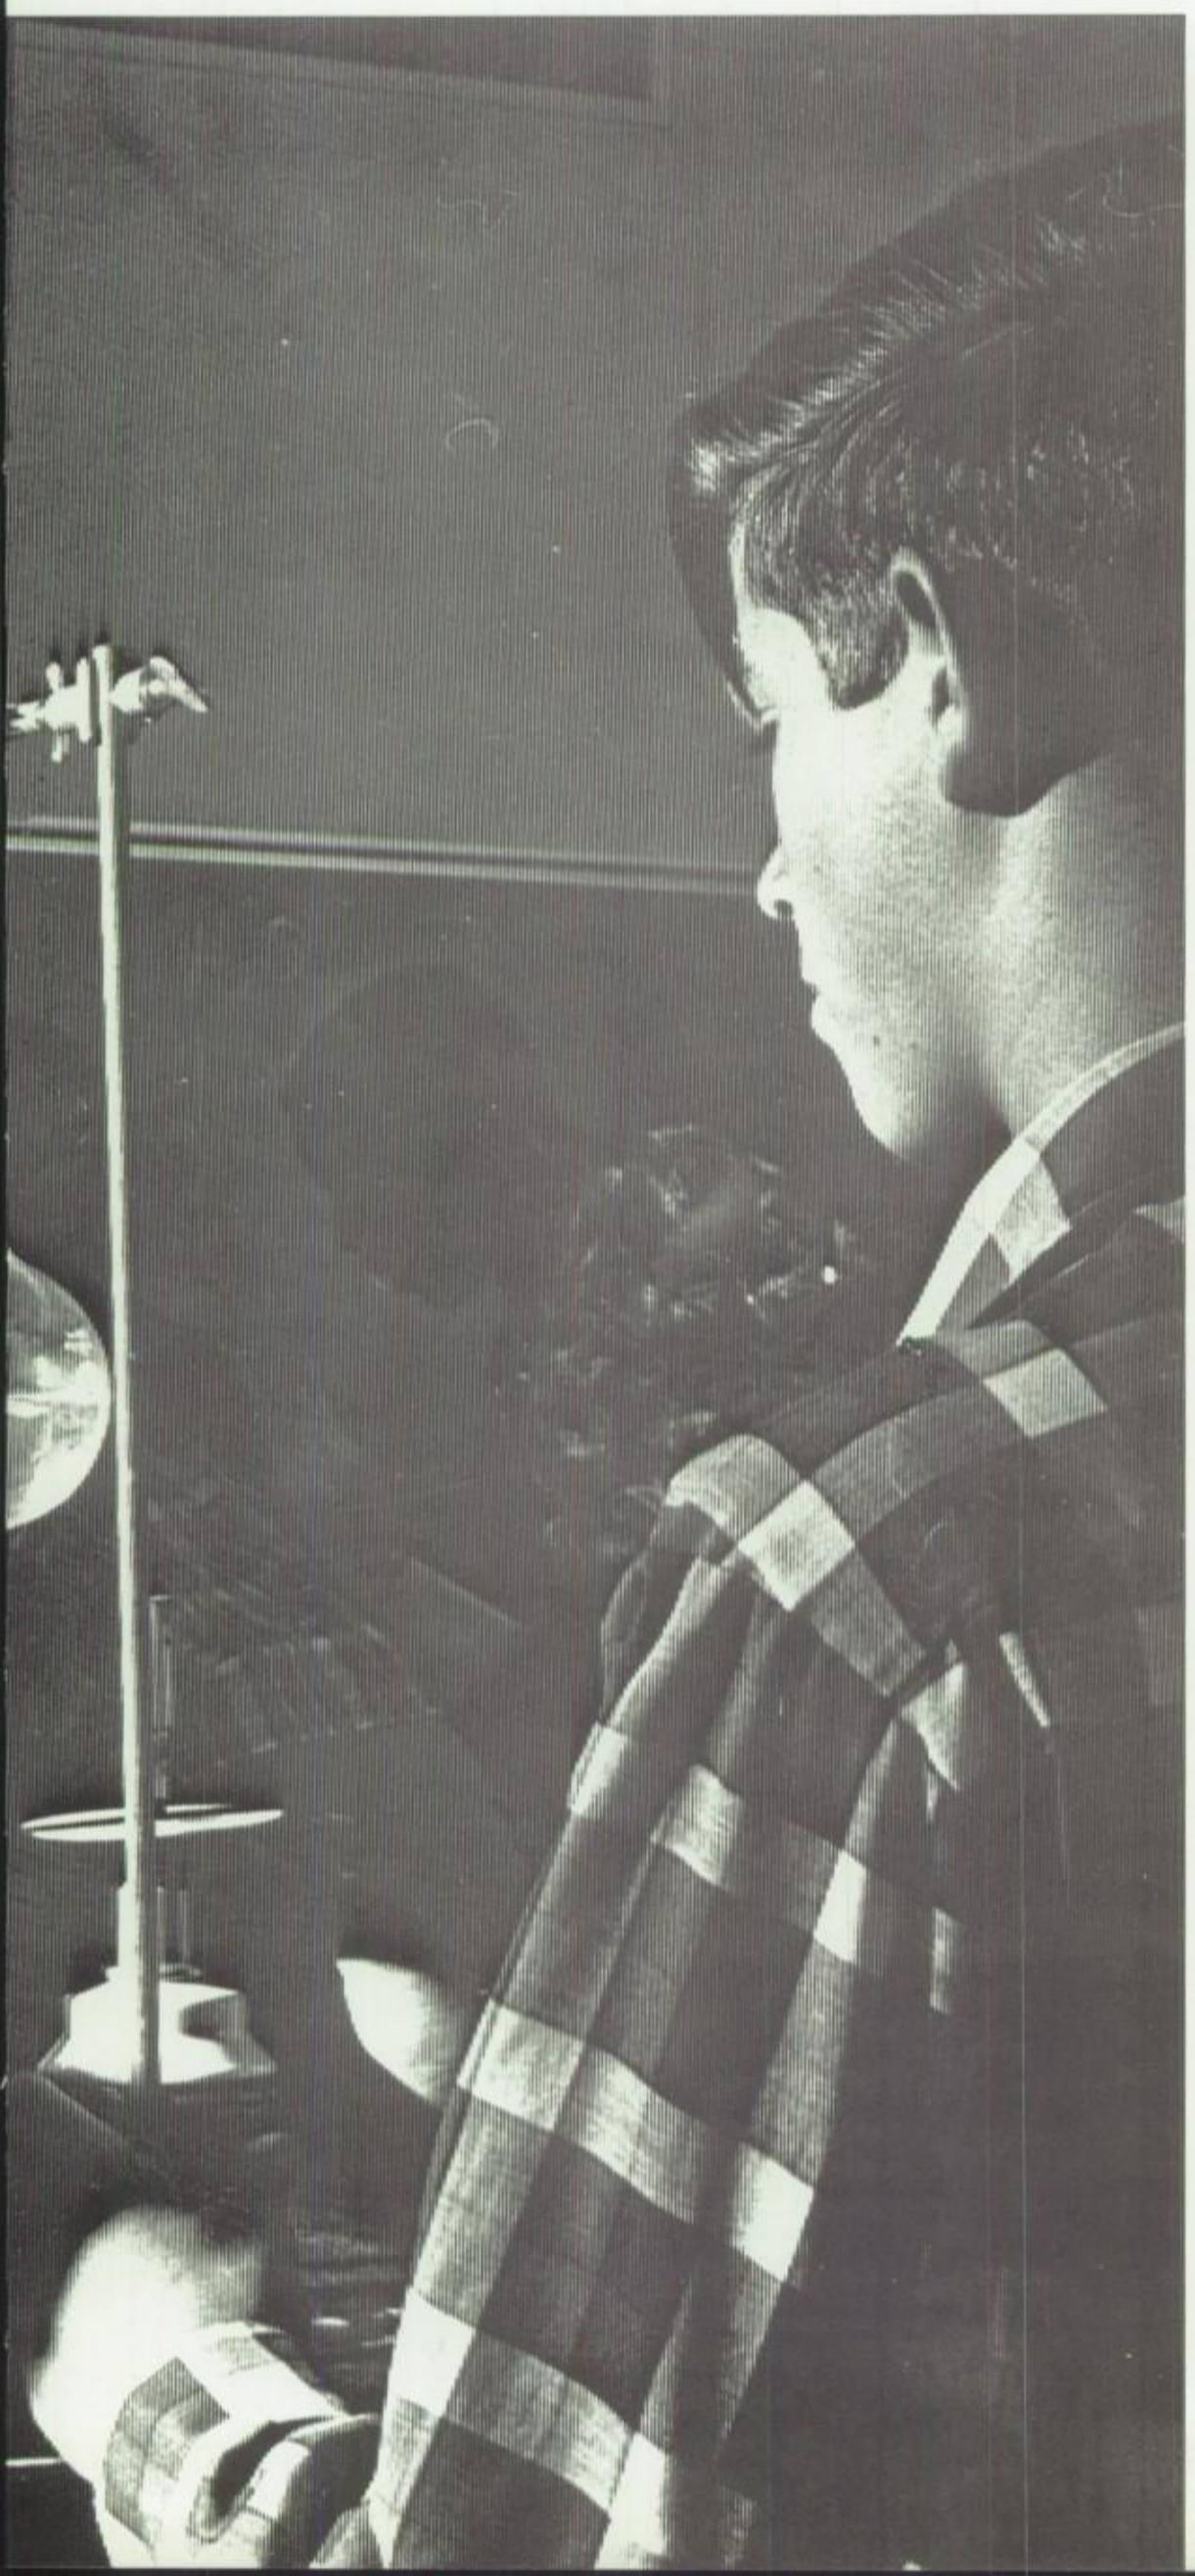
All of the Indian students are in one homeroom this year—Mr. Montoya's. Officers for the year were Robert Tohe—President; Elsie Begay—Secretary; Donald Thompson—Vice President and Peterson Yazzie—Representative to Council.

Annual Staff, Art shows, athletics, and pep clubs are a few of the activities in which Highland High's Navajo Hornets participate. Coming to Highland by way of the Albuquerque Indian School. "Bordertown" project are twenty-seven students who live at the Indian School and ride the bus to the "Home of Hornets." These students are from far-flung areas of the Navajo Reservation and the purpose of the program is to integrate them into the total life of the school society. The Bordertown students participate in a wide variety of HHS activities as the pictures on these pages show, and we are proud to have them a part of our school.

Laura Tohe and Rena M. King cheered the Hornets on to victory this year as members of the Bee Boosters.

Annie Shirley and Mary Lucy Pete played in Mr. Cleaveland's beginning Band this year.

Classes



The entire meaning and value of Highland High School lies in its student body. Individuals are encouraged to participate in the classes, take part in the activities and clubs, and learn so that they may become interested citizens. Here among the milling crowds in the halls are found the future politicians, scientists, doctors, and parents. It is through spirited competition that a portion of the student body has brought honor and importance to Highland's name.

Senior Class Established Memorial For Deceased H.H.S. Teachers, Students

The senior class officers of 1968 were, *left to right:* Cam Carreras, Boy's Sergeant at Arms, Dianne Fitxwater, Girl's Sergeant at Arms, Dena King, Secretary, Charlie Pineda, Vice-President, David Post, President, and Jerre Gatewood, Treasurer.

Creating a living memorial to all the persons who have died while at Highland was the goal for the senior class. They raised enough money to put in a sprinkling system and plant shrubs and grass around the history building and the new music and art buildings. To acquire the funds for their project, they held several bake sales and sold sophomore buttons. Seniors also sponsored the "Hippie Hop."

Besides fund raising the Senior class took steps to improve spirit at games and pep assemblies. This was accomplished through special cheers and numerous banners. All their efforts paid off with the class of '68 winning five pep jugs in a row.

HHS Honored With Presence of Exchange Student

The students of HHS liked Piero and their friendliness was demonstrated even during classtime.

Piero is shown above with his foster family. They are Mr. and Mrs. Morrow and Marty (seated on the floor).

Piero was very conscientious about his studies. He spent much time studying in his room as shown here.

Piero Ravetto, Highland's foreign exchange student, arrived in New Mexico in late August from his home in northern Italy. He soon became a close member of his "family" the Lyle Morrows.

Piero wanted to learn as much about the United States as he could. Therefore, he took U. S. History and English along with physics and trigonometry courses. Although a major portion of his time was spent with his studies so he could maintain his straight A average, Piero still took an interest in Highland's activities. Besides Student Council and club activities where many friendships developed, Piero was a loyal Hornet rooter and attended football and basketball games.

Ernie Jones Backed by Juniors

Hornet spirit and dedication has shone throughout the year at the junior class meetings and during activities sponsored by the junior class.

The juniors helped make the Homecoming Dance a success by decorating the cafeteria for it, and they also received the prize for the best float during the Homecoming parade. Bake sales and the sale of "Class of '69" buttons headed their list of moneymaking projects.

Leading the Junior Class were Ernie Jones, president; Susan Higdon, vice president; Joelyn Ringstead, treasurer; Luann Smith, girls' sergeant at arms; Roger Ruvolo, boys' sergeant at arms; and Pat Scanlan, secretary.

David Salazar Chosen to Lead Sophs

Sophomore class officers for the 1967-1968 school year were, left to right: David Salazar, president; David Herring, vice president; Ann Campbell, treasurer; Mary Lou Carlson, girls' sergeant at arms; Bobby Friedman, boys' sergeant at arms. Seated is Paula Harley, secretary.

Leading the sophomores in their new venture into high school was not an easy job, but the above-mentioned officers did their job well.

The sophomores showed their new, but true, Hornet spirit by participating actively in decorating the halls for Homecoming. They also showed heavy attendance at sports and dances. Bake sales were their fund-raising projects.

Highland High had more National Merit Semifinalists in 1967 than any other New Mexico school. The tests are administered each spring to aspiring juniors across the nation. Many scholarships are awarded on the basis of these tests, and Highland can be justly proud of its semifinalists who rank among the nation's top students.

Phelan and Schifani Are Students of Year

Each year a boy and girl are named by the Principal and the counselors as the Students of the Year. The award is made on the basis of academic achievement and activity in extra-curricular and co-curricular programs.

The recipients for 1967-68 are Sharon Phelan and David Schifani.

The Sandia Mountains in Winter.

Usually, in early March a great sigh of relief is heard as the final deadline is met by the yearbook staff. The deadline was not met this year as work was brought to a halt by the teachers' "withholding of services" in February. However, by working at night and on weekends after the resumption of school, we did get the copy in in time for an on-time delivery. We owe a debt of gratitude to TAYLOR PUBLISHING COMPANY and to its representative, S. M. Red Ramsey for helping to meet this emergency. We wish also to thank Bill Bell Studios for much help, especially the pictures of the homecoming court and the color pictures.

The photographers, Mark and Karl, put in many extra hours taking pictures after school hours and working in the photo lab. Other staff members have worked diligently to bring this book to you—in a new color, with extra color pictures, and with a new presentation of the Highland Hornet on the cover. It is the most costly yearbook ever produced at Highland and we sincerely hope that you like it and will keep it for reference in the years ahead.

Cynthia,
The picture on the opposite page somehow reminds me of the heights to which a person with your qualities could achieve - the sky! Even in friendship, you are the best. I hope you will always be my friend.

To dearest Cynthia,
I was reading a poem that expressed this afternoon "our" friendship so well. Since '68 I've not time to relate the whole I'll just say that our friendship is always a pretty special thing of real beauty mother, says "something we won't even be able to think there will ever be a farewell to pem; it's just a farewell to life. It's just a fitting goodbye; has a will Stevenson wrote "a friend is a to me. Like Robert Louis give yourself." I think that Because I truly gave myself goodbye, not even statement. I met you. I truly certain phrases present, that you (you always are) and try not to get present is such a pretty these paths of life. But, you a wonderful present of all the things that were Be good (you our walkway wouldn't be discouraged in these know, if we knew of behind the next curves a path, would it?
Well, I love you dearly, Cynthia

Cynthia,
It's been really a joy to know you all these years we've been friends. I hope that we will always remain close friends. Last year was a lot of fun and those social times at your house were great, too (like Ginger's party & the prom party). This summer will see each other often, I hope. I hope that last year was your best ~~year~~ at school (It was for me) We didn't see much of each other, though did we? Well I'd better close by saying that you are truly one of the sweetest persons I know (that's not meant to sound trite!)

Love,
Margie

P.S. I know that this summer will be lots of fun but I must admit last summer was tops. (That trip to Calif. really made me appreciate our friendship even more).
